# ALL ABOUT THE COMPANY

**Albert Michler Distillery Int. enjoys a centuries' old worldwide reputation for producing premium spirits such as Liqueur, Rum, Gin and original Czech Absinth. Its history dates back to the first half of the 18th Century. The original company was founded in Buchsdorf, Austrian Silesia, under the name of Albert Michler Buchsdorf, Likör- Rum und Spiritus-Fabrik. It remains a traditional enterprise up to the present.**

**In 1863, the original company was supplying the entire Austrian-Hungarian Monarchy and all corners of the Empire. Later it was re-organized in Buchsdorf Austrian Silesia. During the Monarchy, the brand name "Albert Michler's Original Buchsdorfer" became famous worldwide.**

**The Company was permitted to use the title "Purveyor to the Imperial and Royal Household", and in the 19th Century participated in some of the most renowned World Exhibitions. Albert Michler was one of the first distributors of original Jamaican Rum in Central Europe, also being a supplier of genuine Rum for the Austrian Imperial Navy. The mountains in the region and the unlimited numbers of herbs and spices were the basis for the first Absinth produced in the territory of the Austrian monarchy.**

**Apparently there are beginnings of current global recognition of traditional Czech Absinth. Today**

**Albert Michler Distillery Int. produces and offers an excellent selection of genuine spirits such as Caribbean Rums, distilled Gins, traditional Absinth and 100% natural Liqueurs.**

# AUSTRIAN EMPIRE NAVY

## ANNIVERSARY

An outstanding rum made of the finest selection of Barbarian sugar cane. This blend is aged up to 23 years in different types of casks. It is a blend from the famous master blender Paul Caris. This rum was made after a whole century from the breakup of the Austro-Hungarian Empire. That was one of the most important happening in the past hundred years. We decided to commemorate this events with Austrian Empire Navy Rum - ANNIVERSARY as it is exactly 100 years ago.
