

Bellamy's Reserve Rums are rums with exceptional cask finishes. For the Barbados Rum Series, a mild Barbados rum was finished in a selection of rare ex-rum-barrels: from Guatemala, Guadeloupe, Belize, Jamaica and Guyana (Enmore). The same base rum transformed into five different treasures each of them with a distinct aroma profile. The rums of this series are limited to 300 bottles per cask.

The Bellamy's Reserve Rum Jamaica Cask Finish presents the distinctive flavour of ripe fruit and esters of a typical Jamaican rum. These flavours are complimented by notes of vanilla and coconut, giving this rum a rare spiciness and a full-bodied character that makes it a liquid feast for your palate.
